Many thanks to you all for coming & making this event a great success.

The weather was very hot & still which helped to at least 8 PBs that I've been told about.

We had more entries & clubs represented this year which was great to see.

We hope you all enjoyed it & made new friends. We certainly did & hope to see you all again next year (hopefully with more from your clubs).

I'd like to thank all those Chippenham Archers who helped me on the day & in the build up.

Regards,

Tony Hammond
